

Remarks

The specification is amended herewith to cross-reference related applications.

Claims 10-23 are in the case.

Claims 1-9 which were treated in parent case 09/926,137, are canceled from the instant application.

Claims 11-22 as filed were not elected in response to a restriction requirement in the parent case and were withdrawn from consideration (action of 06/03/03 in the parent case).

Thus, an obviousness type double patenting rejection cannot be made.

Claims 12, 19 and 30 are amended herewith to eliminate multiple dependencies. New Claim 23 is to accommodate for the amendment of Claim 12.

Respectfully submitted,

BACON & THOMAS PLLC
